Agricultural Animal Law

Government Documents

The **UW-Madison Steenbock Memorial Library** has a collection of federal government documents including publications from the USDA and other federal agencies that deal with agriculture. The collection also includes publications issued by the University of Wisconsin-Madison Experiment Station and Cooperative Extension Service, as well as publications issued by other states' agricultural experiment stations and extension services.

Databases

AGRICOLA

<http://agricola.nal.usda.gov/>

A catalog and index to the collections of the National Agricultural Library, "encompassing all aspects of agriculture and allied disciplines". Database includes citations to journal articles and books on the topics of animal and veterinary sciences, farming, etc.

View list of journals indexed in AGRICOLA: <http://tiny.cc/gzl9e>

Agriculture Network Information Center

<http://agnic.org/>

A database of agriculture-related websites, full-text documents, citations, images and other resources. "AgNIC partners are comprised of professional librarians, extension experts, and information specialists with advanced degrees in specific subjects." Relevant topics include animal welfare, animal law, and veterinary law. Search limit strategies available.

Federal Animal Law – Federal Register (FAML-FR)

[Westlaw -- public access available at the Library.](#)

Documents from the Federal Register that relate to animal law. Coverage begins with January 1981.

For information about other relevant databases, visit the UW-Madison Steenbock Memorial Library website: <http://steenbock.library.wisc.edu/subjectguide/agriculture/>

Internet Resources

Visit the Wisconsin State Law Library's Legal Topics Page on **Animal Law** to access primary law, agency and organization websites, and other resources.
